TECH TALK:

Paul Clay again arranged for Mike Niles of the Iron River Amateur Radio Club, to give us a presentation on how their club solved the problem of backup power for their repeater located at Brule Mt. Currently, this has been solved by 12 volt DC power automatically activated at the time of AC disconnect. Our thanks to Mike for this presentation and Paul Clay for making the arrangements.

NEW BUSINESS:

Roger brought us up to date on additional equipment that will be needed to finalize the Ministry Repeater for remote control operation. Roger was assured that funds would be available to complete this project.

Announce was made to request volunteers for the Journeys Marathon May 11th 2019. All interested please contact Ray Mark of the Rhinelander Club, KB9CBL to volunteer.

Announcement was made by Paul Clay that following the HAM Breakfast this month on April 27th at the Friendship House, there will be a follow up TECH TALK on DIGITAL HOTSPOTS at the Enterprise Center, Eagle River. All interested parties are invited to attend.

Next meeting scheduled for May 8th at 6:00pm.

7:30pm Meeting adjourned.
