Motion made and accepted to accept Treasures Report.

Virtual Ham Fest – QSO TODAY

A few of our members joined the fest via computer and appreciated the instructional and informational videos. Those that are interested watch for announcements concerning the next time the HamFest is scheduled.

Old Business: Wires-X and Survey Results – Please consult July 2020 Minutes for survey results.

Major Issues concerning establishing LOL repeater with Wires-X capabilities is hardware support and internet access. Cost of VCARC establishing internet access through the local internet provider is prohibitive.

If internet access is to be provided by club member, then a line of succession must be established should that club member no longer be able to provide that service.

Also a tech team must be established that can handle any issues concerning the Wires-X setup.

It was moved that this discussion continue at next months meeting.

New Business:

Phelps Twin Lake Triathlon:

Currently the club has eight volunteers and a few more is needed. Date is August 22nd and we will be meeting at 8:00 AM at the Phelps Chamber of Commerce Office off HWY 17.

7:07PM Motion to ajourn.
