Tech Talk:

Scott gave the club a talk and slide presentation concerning the SATERN summer encampment and simulated Emergency Response program held at Volk Field and Camp McCoy Wisconsin. This event takes place every summer and the training that takes place between both the military and the Salvation Army Emergency Radio Network is to increase the coordination between both entities should the Salvation Army be called upon in times of national disaster. Thank you Scott for your attendance at this function and your very informative presentation.

Repeaters:

Eagle River: Time and date have been set for the antenna installation that will allow maintenance of the Eagle River repeater. Those that have volunteered to help with the installation please make sure that you make note of the time and date. Your help is needed.

Land O Lakes Repeater:.

Because of the age and frequent breakdown of the current Land O Lakes repeater a motion was made and seconded to purchase a new Yaesu DR-2X repeater with LAN. After discussion the motion was passed.

Door Prize:

This months winner of the Jetstream SWR and Power Meter was Terry Burns (K4ZTX)

Next meeting scheduled for September 11, 2019 at the Eagle River Fire Station.

7:30 P.M. meeting adjourned.
