Tech Talk:

Bob Barnum gave a presentation on Remote Operation Recovery and Reset Planning.

This tech talk was very informative for those hams their home stations remotely via internet connections or those that wish to become involved in this type of ham radio capability. There are many free programs that allows the ham to have this capability, such as TeamViewer, Remote PC and Remote VCN. This might be something to investigate for those ham's that travel to warmer climates fort the winter months.

Old Business:

Echo link update: The computer to allow the club to have Echo Link capabilities has been purchased.

Paul(N7EKY) to do the install once the used laptop arrives. Thanks to Paul Clay for doing the Install.

New Business: Artic Warrior communication coverage:

It was decided that because none of the membership was going to be available on this day that VCARC will not be participating in this years event.

Door Prize: Went to Paul Clay(N7EKY) – 50Ft of coaxial cable.

Next meeting scheduled for January 8, 2020 at the Eagle River Fire Station at 6:00PM.

7:30 PM meeting adjourned.
