Amended minutes from the December meeting were approved.

Treasures' report approved.

TECH Talk –

Paul Clay arranged for John Kruk, National Sales Manager for Yeasu to give a presentation to the club on digital radio in general and the Yaesu C4FM system in specific. The presentation was very informative and the Q&A session which followed answered many of questions raised by those in attendance. Again our thanks to Paul Clay for making the arrangements.

8:15 P.M. Meeting adjourned.
