Repeaters Report:

Eagle River: The new antenna for remote control maintenance of the Eagle River repeater has been installed at the site and tested. All works as expected.

Land O Lakes: Documents to be created about the install of the new Yaesu Repeater when that occurs. What happened to cause failure of the current Motorola repeater needs to be documented as well.

MSF 5000 Motorola repeaters have been spoken for with regards to who will take them off our hands.

New Business:

Tech Talk subjects and committee discussion:

- Need new ideas and new presenters: Anyone who would like to make a presentation about their area of interest within Ham Radio or those that would like to hear a presentation on an area of their interest in Ham Radio are encouraged to contact Bob Barnum or any member of the board so that such a presentation might be arranged.

Andy(N9NBC): Silent Key ham equipment for sale, amps and HF rigs. See Andy at end of meeting if interested.

Ham Radio Outlet: doing Superfest in Milwaukee on 9/27-9/28/2019. Major vendors to be present to answer your questions.

Tech Talk:

Phil(KF9US), gave and presentation about the usage of the spectrum analyzer and how he uses it to judge the accuracy of band pass filters as well as for the creation of $\frac{1}{4}$ wave stubs to act as filter. All of us appreciated the information that was passed on and would like to thank Phil for this presentation.

Door Prize : 3 way antenna switch – Winner was RayBob.

Next meeting scheduled for October 9th 2019 at the Eagle River Fire Station
