Treasurers report for the April meeting – No meeting for the month of April. No treasurers report read into the record. Current balance remains \$ 5390.69.

Old Business:

Currently having problems with the LOL WIRES-X. Problem seems to be with the current computer that is being used to access the internet, but also might be with antenna. Tech team needs to isolate problem before resolution can be discussed.

Balloon Project is still being investigated for Blizzard Blast event by Tony. Will keep club informed as to outcome.

New Business:

Field Day Plans – Club will again participate in the Field Day event with the site remaining at the Sugar Camp Park. Power limits this year have been changed to a maximum output of 100 watts per transmitter. Additional monies were approved for the purchase of both 10 meter and 15 meter inline filters so these two additional frequencies are now available for the field day event.

Scott(WA9STI), will be on the air transmitting from Little Bohemia Restaurant for Police Week and the FBI Amateur Radio Association, May 15th thru May 21st. Listen in and if you hear him, give a call.

7:00 PM Meeting adjourned.
