New Business:

No new business

Old Business:

Kirby, Jim, and Paul Penkovich are working on the Echolink issues. They did a hard reset of the router and couldn't access the router. They have issues with port forwarding. Paul, from Iron Mountain, MI is assisting with the router issues. The computer working the software is old as well as the Baofeng HT operating the Echolink could be suspect.

A door prize of Icom T-shirt, Icom hat, and backpack was given to Marie, our newest ham via drawing. Congratulations, Marie

A motion was made and seconded to adjourn the meeting at 7:09pm
